- b. Enter the login credentials (i.e. User ID and password mentioned in the email). Your Folio No. or DP ID /Client ID will be your User ID. However, if you are already registered with KFin for e-voting, you can use your existing User ID and password for casting your vote.
- c. After entering these details appropriately, click on "LOGIN".

You will now reach password change menu wherein you are required to mandatorily change your login password in the new password field. The new password has to be minimum eight characters consisting of at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character (like *, #, @, etc.). The system will prompt you to

change your password and update your contact details like mobile number, email ID, etc., on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.

- d. You need to login again with the new credentials.
- e. On successful login, the system will prompt you to select the e-voting Event Number for Panyam Cements and Mineral Industries Limited.
- f. If you are holding shares in Demat form and had logged on to <https://evoting.kfintech.com> and casted your vote earlier for any other Company, then your existing login id and password are to be used.
- g. On the voting page, enter the number of shares (which represents the number of votes) as on the cut-off date i.e. 23rd December, 2021 under "FOR/ AGAINST" or alternatively, you may partially enter any number in "FOR" and partially in "AGAINST" but the total number in "FOR/ AGAINST" taken together should not exceed your total shareholding as on the cut- off date.
- h. You may also choose the option "ABSTAIN" and the shares held will not be counted under either head.
- i. Members holding multiple folios/ demat accounts shall choose the voting process separately for each of the folios/demat accounts.
- j. Voting has to be done for each item of the Notice separately. In case you do not desire to cast your vote on any specific item it will be treated as abstained.
- k. You may then cast your vote by selecting an appropriate option and click on "Submit". A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you confirm, you will not be allowed to modify your vote.
- l. During the voting period, Members can login any number of times till they cast their vote on the Resolution(s).

MANAGEMENT DISCUSSION AND ANALYSIS:

Industry structure and development:

India's cement demand remained passive for most of F.Y. 2021, particularly on account of low demand from the housing segment. However, there were signs of demand recovery in the last quarter, reflected in double-digit growth riding on higher infrastructure spending and development in Andhra Pradesh and Telangana. As the economy revives, the country's cement industry is expected to perform better. The Cement Division is incurring losses due to its inability to operate continuously at optimum levels on account of inadequate working capital and high cost of production which is mainly due to high power consumption and coal when compared to industry norms of similar capacity. Now the management has taken various steps to optimize the production levels and taken necessary measures to reduce the cost of production.

Opportunity and threats:

Our cement plant being strategically located with high quality limestone mines very near to the plant can cater to the neighboring States of Tamil Nadu, Karnataka, Goa and Kerala where the realizations are better. The management is putting its best efforts to revive the industry to normal levels.

Outlook:

The initiatives by the Central Government such as housing for all, smart cities, Swachh Bharat campaign, infrastructure spending, concrete road initiatives and an increase in allocation of funds to States are likely to see a positive impact on the Cement Industry.

Infrastructure development is the need of the nation; this along with rising housing provision will accelerate construction activity. Recovery of the global scenario could also provide impetus to economic growth and cement. The State has seen new players and also the existing players expanding capacities due to huge availability of limestone, which is the primary material for cement. The company is now able to move its finished products through railway wagons due to completion of its railway siding inside the factory.

Risks and concerns

The drying up of Government contracts through irrigation, infrastructure and housing programs was major reason for hitting the Industry. However, post the bifurcation of erstwhile Andhra Pradesh and formation of 2 new states will impetus the growth of cement consumption during the year.

Concerns of the Indian Cement Industry are high cost of power and coal, high freight costs, inadequate infrastructure, non-availability of wagons and poor quality of coal and heavy taxes/royalty levies.

Segment-Wise Performance Together with Discussion on Financial Performance With Respect To Operational Performance:

Segment-wise (only one segment) performance together with discussion on financial performance with respect to operational performance has been dealt with in the Directors' Report which should be treated as forming part of this Management Discussion and Analysis.

Internal control systems and their adequacy:

The Company is following a proper and adequate system of internal controls in respect of all its activities including safeguarding and protecting its assets against loss from unauthorized use of disposition.

The internal control systems of the company comprise of statutory audit, cost audit and internal audit. The work of all the audits have been assigned to reputed, external, independent and qualified people.

The Audit Committee comprising of independent directors will review all quarterly, half yearly and annual financial statements.

Human resources and industrial relations:

The industrial relations at all the plant and offices continue to be cordial during the year under review. The total number of employees at the end of the financial year 2020-21 on the rolls of the Company is 425 at Cement Division and Central Administrative Office.

Cautionary Statement:

Statements in the Management Discussion and Analysis Report describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include global and domestic supply and demand conditions affecting selling prices of finished goods, input availability and prices, changes in government policies and regulations, tax laws, economic developments within the country and other factors such as litigation and industrial relations. The company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Readers are cautioned not to place undue reliance on these forward-looking statements that speaks only as of their dates.

CORPORATE GOVERNANCE REPORT:**1. Background:**

The Company was admitted to Corporate Insolvency Resolution Process (“CIRP”) vide order of the Hon’ble National Company Law Tribunal (“NCLT”), Amaravati Bench, dated May 14th, 2020 (“Insolvency Commencement Date”) under the provisions of the Insolvency and Bankruptcy Code, 2016 (“Code”) and appointed Mr. Bhrugesh Amin (IBBI Registration no. IBBI/IPA-002/IP-N00353/2017-18/11003) as the Interim Resolution Professional (“IRP”) for the Company, Further, appointment as the Resolution Professional (“RP”) was subsequently approved by the committee of creditors on 26th June, 2020.

Pursuant to the Hon’ble NCLT Order, the Management of the operations of the Company have been taken over by Resolution Professional with effect from 14th May, 2020. A new Board is yet to be constituted.

In accordance with the provisions of the Code and the NCLT order, the approved Resolution Plan is binding on the Company and its employees, members, creditors including the Central Government, any State Government or any local authority to whom a debt in respect of the payment of dues arising under any law for the time being in force is due, guarantors and other stakeholders involved in the Resolution Plan till the date of the approved order.

2. Company’s Philosophy on Code of Governance:

The Company believes in adopting and adhering to the best corporate practice and continuously evaluate it against each of such practices. The Company understands and respects its fiduciary role and responsibility to all stakeholders and strives hard to meet their expectations. The Company believes that the Corporate Governance is an important tool for shareholders protection and maximizing their long-term values. Panyam Cements & Mineral Industries Limited functions keeping in tune with this philosophy.

The fundamental objective of company’s Corporate Governance is to adopt a methodology, which enhances effectiveness, better utilization of resources, transparency and harmonious relations between various interest groups. The company has been regular in sending its quarterly compliance report on Corporate Governance to Stock Exchange.

3. Board of Directors:

Since the powers of the Board stood suspended with effect from 14th May, 2020 i.e. the date of commencement of the Corporate Insolvency Resolution Process (“CIRP”) and continued to remain so for the period under review, no Board meetings were held during the financial year.

Composition and category of the Directors:

Category	Name of Directors
Executive Director, MD	S Sreedhar Reddy
Non-Executive - Non-Independent Director	Ramakrishna Prasad Sunkara
Non-Executive - Independent Director	Jayarama Reddy Pedireddygari
Non-Executive - Independent Director, Chairperson	Panduranga Rao Surathu

In terms of the SEBI (LODR) Regulations, 2015, a company undergoing CIR Process is not required to comply with Regulation 17, dealing with the requirement of composition of the Board of Directors. Further, pursuant to the approval of the Resolution Plan, the existing Board ceases to exist and the new Board will be reconstituted.

Meetings and Attendance:

No Board Meetings were held during the financial year 2020-21 in view of the company continuing to remain under CIRP and suspension of the powers of the Board. The Resolution Professional was entrusted with the job of managing the affairs of the Company during the said period.

The last Annual General Meeting (AGM) was held on September 18th, 2021. The AGM was attended by Mr. Jayarama Reddy, Mr. S Sreedhar Reddy, and Ms. V Aravinda Rani.

4. Board Procedure:

Since the powers of the Board remained suspended, there was no Board Meeting held during the year. The matters required to be tabled to the Board of Directors were put up for the review and the decision of the Resolution Professional from time to time in accordance with the provisions of the Insolvency Bankruptcy Code, 2016, was obtained.

5. Statutory Committee:

Since the company continued to remain under Corporate Insolvency Resolution Process (CIRP), during the period under review, as per Regulation 15(2A) and 15(2B) of the Securities and Exchange Board of India (LODR) Regulations, 2015 the provisions of Regulation 17, 18, 19 and 20 of the Listing Regulations relating to various committees including Audit Committee was not applicable to the Company.

The roles and responsibilities of the Board and the committees were fulfilled by the Resolution Professional, Mr. Bhrugeth Amin, in accordance with the provisions of the section 23 of the Insolvency Bankruptcy Code, 2016.

6. Independent Directors Meeting:

During the year, no meetings of Independent Directors were held as the powers of the Board stood suspended since the commencement of Corporate Insolvency Resolution Process and continued to remain suspended during the period under review.

7. Annual General Meetings:

The last three Annual General Meetings were held as under:

In the absence of such confirmations as on reporting date, we are unable to comment on the consequential impact, if any, on the financial statements.
- f) As part of the Corporate Insolvency Resolution process, the claims from Financial and Operational creditors are being filed and further being admitted, rejected or pending verification. We are unable to comment on the liability that may arise due to such admittance, to the extent unrecorded/unreconciled with the books of accounts and its consequential impact on financial statements as on reporting date.
- g) Based on the information and explanations given to us, the Company has not provided for gratuity liability on actuarial valuation as required under the Ind AS 19 Employee Benefits and the amount of gratuity liability is not ascertained by the company and it is provided/paid on cessation of employment as per the accounting policy followed by the company. We are unable to quantify the impact of the said liability on the financials of the year under report.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

- i) We draw attention to general Information Note 1.2 (f) to the financial statements wherein it is mentioned that the management has not effected in the books of account of the Current year under report, the changes /adjustments in accordance with the NCLT approved Resolution Plan dated 25th June 2021 read with revised order dated 10th July 2021. Our opinion is not modified in respect of this matter
- ii) We also draw attention to general information Note 1.2(h) to financial statements wherein it is mentioned that only one director of the Company signs Financial statements which is not in accordance with the provisions of Section 134(1) of the Companies Act 2013 and the said provisions mandate that the Financial Statements are to be signed by two directors of the Company

Key Audit Matters

Except for the matter described in the Basis for qualified opinion section, we have determined that there are no other key audit matters to communicate in our report.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Other information is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the financial statements

The Hon'ble NCLT, Amaravati Bench, has admitted the CIRP application filed by Financial Creditor of the company, and appointed a Resolution Professional ("RP") vide order dated 14th May, 2020 in terms of the Insolvency and Bankruptcy Code, 2016 ("the Code") to manage the affairs of the Company as per the provisions of the Code.

We were informed that the financial statements have been approved by the Board of Directors based on representations, clarifications and explanations provided by the management for the preparation and presentation of the financial statements.

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The management is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them

all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by Section 143(3) of the Act, we report that:
- a) except for the effects of the matters specified in the Basis for Qualified Opinion section, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) except for the effects of the matter specified the Basis for Qualified Opinion section, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **M/s. Panyam Cements & Mineral Industries Limited, Nandyal** ("the Company") as of 31st March, 2021 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were

operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that

- I) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- II) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- III) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial reporting to future periods are subject to the risk that the internal financial control with reference to financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weakness have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2021.

- a) The Company has not followed the existing internal control system of obtaining external balance confirmation for trade receivables, loans, borrowings, trade payables

and other liabilities on periodic basis for reconciliation with Books of accounts at regular intervals.

- b) The company has not followed the existing internal control system of conducting physical verification of the Inventory, Property Equipment and plant and capital work in progress thereby updating the records for any discrepancies noticed for existence, condition and valuation if any.
- c) The company has not updated of fixed asset register on timely basis.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement in the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, except for the effects/possible effects of the material weakness described above on the achievement of the objectives of the control criteria the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the March 31, 2021 financial statements of the company, and our aforesaid report and opinion on Internal Financial Control over Financial Reporting should be read in conjunction with our report of even date issued on the financial statements of the company.

ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- i) in respect of the Company's fixed assets:
 - a) the Company for the year under report has not been able to maintain proper records showing full particulars, including quantitative details and situation of fixed assets;
 - b) the Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no such verification has been done for the year;
 - c) according to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii) in respect of Company's inventory:

the physical verification of inventory has not been conducted at reasonable intervals by the management during the year and hence we are unable to report on material discrepancies noticed on physical verification and also, we are unable to report on discrepancies, if any, have been properly dealt or not with in the books of account;
- iii) the Company has granted loans to Companies covered in the register maintained under Section 189 of the Companies Act, 2013 ('the Act').
 - a) In our opinion and according to the information and explanations given to us and as represented by the Company, in respect of loans granted by the Company, there are no such agreements /arrangements having the terms and conditions for grant of such loans and therefore, we are unable to report whether the terms and conditions of loans given are prejudicial to the interest of the company;
 - b) In our opinion and according to the information and explanations given to us and as represented by the Company, there are no such agreements / arrangements stipulating the schedule of repayment of principal and interest payment and therefore, we are unable to report on the regularity of repayment of principal and payment of interest;
 - c) In our opinion and according to the information and explanations given to us and as represented by the Company, there are no such agreements / arrangements stipulating the due dates for re-payment of principal and interest payment and therefore, we are unable to report the total amount of overdue for more than ninety days and no steps have been taken for recovery of the principal or interest.
- iv) in our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable;
- v) the Company has not accepted deposits from public during the year and does not have any unclaimed deposits as at 31st March, 2021 and therefore, the provisions of the Para 3 (v) of the Order is not applicable to the Company;

- vi) the maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete;
- vii) In respect of statutory dues;
- a. According to the information and explanations given to us and on the basis of records of the Company examined by us, the Company is not regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Income Tax, Service Tax, Sales Tax, Value Added Tax, Duty of Customs, Duty of Excise, GST ,Cess and other statutory dues as applicable to the company. As explained to us, the Employees State Insurance provisions are not applicable to the company.

- * Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- * It is expected to be settled in normal operating cycle
- * It is held primarily for the purpose of trading
- * It is due to be settled within twelve months after the reporting period, or
- * There is no unconditional right to defer the settlement of the liability for at least twelvemonths after the reporting period.

D. Use of estimates and judgments

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates.

Any revision to accounting estimates is recognized prospectively in current and future periods. The critical accounting judgments and key estimates followed by the Company for preparation of financial statements is described in Note 2(R).

E. Property, Plant and Equipment

Freehold Land is carried at historical cost. Other property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under Other Non-Current Assets and the cost of the assets not put to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 1, 2016 (transition date) measured as per the previous GAAP and considered that carrying value as its deemed cost as of the transition date

F. Depreciation and Amortization

The Company depreciates property, plant and equipment over their estimated useful lives as specified in Schedule II to the Companies act, 2013 using the straight-line method in respect of plant and machinery and buildings and in respect of other assets on written down value method. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. The useful life as prescribed under Schedule II of the Companies Act have been followed except in respect of the following categories of assets, in whose case the life of the assets has been assessed asunder based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Buildings-Factory - 28 years adopted as against 30 years prescribed

Buildings-Residential & Non-Factory- 58 years adopted as against 60years prescribed

Buildings-Others(temporary) - 2 years adopted as against 3 years prescribed

Continuous process plants (i.e., 18 years adopted as against 25 years prescribed) and

Thermal Power Plant - 20 years adopted as against 40 years prescribed

Plant and Machinery-others - 18 years adopted as against 40 years prescribed

Ropeways - 9 years adopted as against 15 years prescribed.

G. Impairment of Tangible Assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit to which the asset belongs. If such assets are considered to be impaired, the impairment is recognized in the Statement of Profit and Loss and is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

H. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

- * Financial assets at amortized cost
- * Equity instruments at fair value through other comprehensive income (FVTOCI)

Financial assets at amortized cost

A 'financial asset' is measured at the amortized cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade receivables. For more information on receivables, refer to Note 7a.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by - instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e., removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either

- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

Impairment of Financial assets

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss.

The Company follows "Simplified approach" for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are de-recognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

De recognized

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

I. Investment in associates

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

Such investments in which the Company has no significant influence are accounted under Ind AS 109 at fair value and the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

J. Inventories

Inventories are stated at the lower of cost and net realizable value after providing for obsolescence. Costs of inventories are determined on weighted average basis. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and Costs necessary to make the sale. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition.

K. Cash and Cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

L. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax.

- **Current Tax:**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'Profit Before Tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

- **Deferred tax:**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

- **Current and Deferred Tax for the Year:**

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognized in Other Comprehensive Income or directly in equity respectively.

M. Provisions, Contingent liabilities and Commitments

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

Contingent liability is disclosed in the case of:

- * A present obligation arising from past events when it is not probable that an outflow of resources will not be required to settle the obligation.
- * A present obligation arising from past events, when no reliable estimate is possible
- * A possible obligation arising from past events, unless the probability of outflow of resources is remote

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

Contingent asset

Wherever there is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. A contingent asset is disclosed when the inflow of economic benefit is probable.

N. Revenue Recognition

Effective 1st April 2018 the Company has applied Ind AS 115: Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized.

Ind AS 115 replaces Ind AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

Revenue from sale of goods is recognized when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations.

The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc.

Accumulated experience is used to estimate the provision for such discounts and rebates.

Revenue is only recognized to the extent that it is highly probable a significant reversal will not occur.

Our customers have the contractual right to return goods only when authorized by the Company. An estimate is made of goods that will be returned and a liability is recognized for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognized based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Interest income is recognized using the effective interest rate (EIR) method.

Dividend income on investments is recognized when the right to receive dividend is established.

Other Operating Income and Other Income:

Revenue with respect to Other Operating Income and Other Income including incentives are recognized when a reasonable certainty as to its realization exists.

O. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets is substantially ready for their intended use or sale.

All other borrowing costs are recognized in statement of profit or loss in the period in which they are incurred.

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

P. Employee Benefits

Short term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of Bonus, Ex-gratia, Leave Travel Allowance, Reimbursement of Medical Expenses, Personal Accident Policy, Deposit Linked Insurance Policy are recognized in the period in which the employee renders the related services.

Post-Employment Benefits:

(i) Defined Contribution Plan:

The Company's contribution paid / payable during the year to Provident Fund are considered as defined contribution plans.

The Contribution paid / payable under these plans are recognized in the Statement of Profit and Loss during the period in which the employee renders the services.

(ii) Defined Benefit Plans:

Gratuity/superannuation and leave encasement benefits payable on retirement/resignation of employees is recognized on retirement/payment basis.

Q. Earnings per share

Basic earnings per share are computed by dividing the profit or loss attributable to equity

shareholders of the Company by the weighted average number of equities shares outstanding during the period. The Company did not have any potentially dilutive securities in any of the period presented.

R. Estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Revenue recognition:

The Company applies judgement to determine whether each product or services promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised product or services are combined and accounted as a single performance obligation. The Company allocates the arrangement consideration to separately identifiable performance obligation deliverables based on their relative stand-alone selling price. Because the financial reporting of these contracts depends on estimates that are assessed continually during the term of these contracts, recognized revenue and profit are subject to revisions as the contract progresses to completion.

Useful lives and residual value of property, plant and equipment:

The Company reviews the useful life and residual value of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Allowance for expected credit losses:

Note 2(H) describes the use of practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix. The expected credit allowance is based on the aging of the days receivables which are past due, and the rates derived based on past history of defaults in the provision matrix.

Fair value of investments:

The Company has invested in the equity instruments of various companies. However, the percentage of shareholding of the Company in such investee companies is very low and hence, it has not been provided with future projections including projected profit and loss account by those investee companies. Hence, the valuation exercise carried out by the Company with the help of available historical annual reports and other information in the public domain.

Taxes:

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Contingent liability judgment:

Note 27 describes claims against the Company not acknowledged as debt. Contingencies may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum of contingencies inherently involve the exercise of significant judgment and the use of estimates regarding the outcome of future events.

S. Recent accounting pronouncements

In March 2019, the Ministry of Corporate Affairs MCA issued the Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, 2019, notifying Ind AS 116 'Leases' and amendments to certain IND AS. The Standard / amendments are applicable to the Company with effect from 1st April 2019.

The Company doesn't have any leases as on March 31, 2021, and hence Ind AS 116 will not be applicable for the Company.

Closing balance	2,700.66	2,700.66

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

Note: There are no transfers between levels 1 and 2 during the year.

Note 32: Capital Management & Risk management Capital management

The Company being in a capital-intensive industry, its objective is to maintain a strong credit rating healthy capital ratio and establish a capital structure that would maximize the return to stakeholders through optimum mix of debt and equity. The Company's capital requirement is mainly to fund its capacity expansion, repayment of principal and interest on its borrowings. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from borrowings. The Company regularly considers other financing and refinancing opportunities to diversify its debt profile, reduce interest cost and align maturity profile of its debt commensurate with life of the assets, and closely monitors its judicious allocation amongst competing capital expansion projects to capture market opportunities at minimum risk."

Gearing ratio

The Company monitors its capital using gearing ratio, which is total debt divided to total equity as given below:

	(₹ in Lakhs)	
Particulars	As at 31st March,2021	As at 31st March 2020
Total Debt*	24,059.92	23,240.52
Equity share capital	1,686.42	1,686.42
Other equity	(28,187.10)	(26,089.24)
Cumulative redeemable preference shares	19.30	19.30
Total equity	(26,481.38)	(24,383.52)
Total debt to Total equity ratio	(0.91)	(0.95)

*Total Debt is defined as secured long-term including current maturities of borrowings excluding cumulative redeemable preference shares.

Financial risk management and objectives and policies

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact in the financial statements. The Company activities exposed it to market risk (including price risk), credit risk and liquidity risk.

"A Special Team with Senior Executives having exposure in various fields has been formed to assist Managing director in (a) Overseeing and approving the Company's enterprise wide risk management framework, and (b) Overseeing that all the risks that the organization faces such as market risk(including currency risk, interest rate risk and other price risk), Credit risk and liquidity risk have been identified and assessed and there is an adequate risk management infrastructure in place capable of addressing those risks. The Managing Director and CFO, monitors and reports on the principal risks and uncertainties that can impact the company and its ability to achieve strategic objectives. The Company's management systems, organizational structures, processes, standards, code of conduct and behaviors together form the Management and business of the Company."

A. Market risk

"Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices and equity prices. Financial assets/liabilities affected by this risk are borrowings, letter of credits and trade receivables and investments."

The Company's investments in listed and non-listed equity securities are susceptible to price risk arising from uncertainties about future value of the investment securities. The Company's non-current investment in equity shares are strategic investments and hence are considered as Fair Value through Other Comprehensive Income. The Company's Board of Directors reviews and approves all equity investment decisions.

B. Credit risk

"Credit risk refers to the risk that the counter party will default on its contractual obligations resulting in financial loss to the Company. The Company is operating through network of dealers based at different locations. Regular monitoring of the receivables is undertaken by the Marketing Department and in case the limits are exceeded, steps will be taken by the Marketing departments and after discussing with the management the Company will decide whether to stop or not further supplies to the concerned dealer till the amount outstanding is recovered. For the export made by the Company, the sales are backed by letters of credit or advance receipts. The internal risk management committee of the Company meets regularly to discuss the dealers and credit risks, measures taken to address them and the status and level of risk after the measures taken. Export sales are fully secured through letters of credit or against advance receipts. (refer Note No.8(a) for Trade Receivable outstanding)."

C. Liquidity risk:

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company maintains flexibility in funding by maintaining availability under committed credit lines. Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term,

medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
